

# Diamond

*Dianthus x hybrida nana*

Annual

Natural

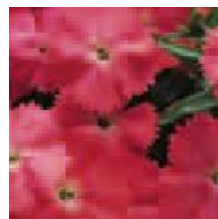

- Gives superb garden performance in spring and autumn
- Early variety, blooming simultaneously on main and lateral stems in pots and beds
- High uniformity in plant habit and tight flower window
- Flower size is 4 cm (1.5 inches) in diameter
- When grown under long day conditions it is naturally compact and requires little or no PGR
- Diamond Blush Pink has a unique look, initially the flowers open white, then change to pink and ultimately mature to rose. YTT (yesterday, today and tomorrow)

# Mariachi®

*Eustoma grandiflorum* F1

Annual

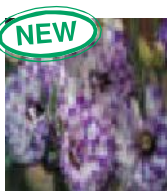

Pellet

Mariachi® has a quadruple flower that is of proven high quality and fully double for mixed or straight bouquets. Mariachi® is similar to a Camellia in its flower form. The flowering time response is similar to Flamenco. Mariachi® is a registered trademark of Sakata Ornamentals Europe A/S.

- Group II/ Standard Quadruple Flower
- Flower size is 5-7 cm (2-2 3/4 inches in diameter)
- Ideal for winter sowing and summer harvest schedules
- Excellent rose-shaped flower heads, with thick petals for long-lasting shelf life and easy transportation
- Plant height: 80-100 cm (2.5-3.2 ft)
